Re: [REDACTED]

Dear Mr. & Mrs. [REDACTED]

Thank you for your letter regarding your
daughter, [REDACTED]

I do not think it would advisable for
[REDACTED] to come home at this time. She has not settled
down at all satisfactorily. As I told you in a previous
letter, it is the decision of the whole medical staff that
it would be too disturbing for [REDACTED] to go home.

Yours sincerely,
