SOCIAL WORK

CLOSURE REPORT

On October 22, 1997, [redacted] moved from this facility to a community home in Stouffville, Ontario sponsored by Christian Horizons (see Social Work Placement Summary - October 14, 1997).

The home is staffed 24 hours; with program staff attending during the day to develop leisure and social skills programs. Six residents currently reside in the home. [redacted] was one of four residents who moved to the home from HRC in the fiscal year 1997-1998. The North St. residence is spacious and allows for [redacted] to have his own bedroom.

[redacted] is known to be an even tempered person and he quickly adjusted through the transition and following the move. Agency staff did report tearing of clothing on one occasion. It is known that [redacted] dislikes zippered shirts and tight fitting clothing and that he has a history of ripping this type of shirt. This information was forwarded to the agency.

Prior to the move [redacted] (father) and [redacted] (sister) visited the home and agency staff. Family is familiar with the agency and supported a move for [redacted] to Stouffville.

HRC business office reports [redacted] Personal Needs Account has been closed.

Agency staff report [redacted] is receiving his FBA.

As no issues remain outstanding, this file is recommended for closure.
