Re: [redacted] deceased  
Re: [redacted] - patient

Dear Sir:-

We are writing with regard to the Maintenance Account of your deceased son, [redacted] which has a balance of \$327.50 owing to March 26, 1957, date of his death.

It is noted there have been no payments made on this account since your son's admission here. We would greatly appreciate receiving a remittance, either in full or in part, for this account.

The Maintenance Account for your son, [redacted] has also been neglected and now has a balance of \$585.00 owing to June 30, 1957.

Possibly you are now in a position whereby you could commence making monthly payments on this account, as we can no longer permit it to build up further.

Your prompt attention to these matters will be greatly appreciated.

Yours very truly,

Business Administrator
