

November 14, 1983.

Miss [redacted]
[redacted]
Barrie, Ontario.
[redacted]

Dear Miss [redacted]

Re: [redacted]

I would like to inform you that your brother [redacted] sustained a fracture of his left metatarsal bone (one bone in his foot). He has been admitted to our Medical Unit here at the Centre. A cast has been applied, it will remain on for several weeks until the fracture is completely healed. Otherwise, [redacted] is just fine.

If you have any further questions, please do not hesitate to write or to call us here at the Centre.

Sincerely,

[redacted]
[redacted], M.D.,
Staff Physician.
