Dear Sir

Just received your letter saying how [redacted] is. I am glad to know he enjoyed the candies and oranges. I want you to keep the shoes I know they would be too heavy for [redacted]. So if you give him running shoes you can give the other shoes to some one ~~how~~ who can use them. I will be sending [redacted] a sweater coat in a week or two. maybe a little toy. I will close

I will not look for a ans to this letter not untill I send the other things. over.
