Dear Sir

Would you be kind
enough to drop me a line
saying how [redacted]
is getting along and if he is
sleeping and eating well, well
you please tell the nurse that
looks after him if he don't
I just tell him if he eats
the can go out for a walk
in the buggy then he will
eat, as that is the way I got
him to do a lot of things.
I guess [redacted] is not well
enough to be up and around
yet. Please let me know
as soon as you can how he is.

Thank You
Yours Truly, [redacted]
