Dear [REDACTED]

I am responding to your recent letter addressed to [REDACTED] as [REDACTED] is on leave following the birth of a baby boy. I expect you will remember me. We met at Huronia Regional Centre several years ago when you came up to visit us.

I know you have been pretty upset about what happened to you in the past [REDACTED]. It is hard to get over experiences such as you have had and I know you have tried very hard.

There is not much information I can give you that you haven't already had. The information about your activities with boyfriends which [REDACTED] told you was on your file was information which had originally been given by you to a previous social worker and your latest letter in which you state this was not true will also be placed on the file.

You have asked some questions about your brother [REDACTED] [REDACTED] had previously been in the care of the Children's Aid Society. Because [REDACTED] had not been living with his parents at the time he was admitted to H.R.C. we do not have any details of his early life or why he left home except that his father was on overseas duty with the Armed Forces at the time. [REDACTED] came here because he had difficulty in school. Due to a learning handicap he needed special schooling. He was also difficult to manage. [REDACTED] was officially discharged from H.R.C. in October 1967 after having spent several years working at various "live-in" jobs in the community.

If you want to try and find out any more about [REDACTED] you could try writing to the Metro Toronto Children's Aid Society, 33 Charles St. East, Toronto, Ontario. M4Y 1R3.

I am enclosing the photographs you asked for. These are the same ones that we have sent to you previously.

I hope this letter will be helpful to you, [REDACTED]

With best wishes,

Yours sincerely,

[REDACTED]
[REDACTED] Manager,
Social Work Services.
