Re: [redacted]

Dear Mr. & Mrs. [redacted]

I would like to acknowledge your letter concern-
ing [redacted] I am sorry that we are unable to give permission for
[redacted] to go to your home for the Christmas Holidays.

There is a great deal of activity here at Christmas,
including a Christmas Party, complete with Santa Claus and presents for
all the children.

[redacted] is in good health and, aside from needing
supervision in her activities, is progressing fairly well.

Yours sincerely,

[redacted]

Physician
