[REDACTED]
Toronto 5, Ontario.

Re - [REDACTED]

Dear Sir:

In reply to your letter to Dr. [REDACTED] I wish to advise that this hospital is filled to capacity at present. We expect to open a new building for these younger children about July, and then we will have accommodation which will allow us to award admission.

Yours very truly,

FCH/dg

[REDACTED] (M.D.)
Medical Superintendent
