X-RAY
REQUISITION AND REPORT

Casebook No. [redacted]
Ward or Unit TV 1
Date of Birth Sept. 8/61
Date Dec. 28, 1983.

Name [redacted] Facility HRC Orillia

REQUISITION

Area to be X-rayed: Left Foot (Four Views)

Reason for X-ray: Fracture of the base of the 5th metatarsal bone Nov. 10/83.
Follow-up.

Original Signed by [redacted] M.D.
Signature

REPORT

Date Dec. 28, 1983.
Film No. 1277

The position of the fracture at the base of the 5th metatarsal is anatomic. However, the fracture line is still well seen in its lateral two-thirds and is not yet healed. The edges of the fracture line are slightly sclerotic. Follow-up as clinically indicated.
