children. but my darling  
i love you just as much  
as the first day we met  
and it just brakes my  
hart to think you have  
turned against me if  
you dont think i love you  
ask my children. do please  
forgive me darling if i  
have done anything rong

for all the world  
XXXXXXXXXXXXXXXXXXXX  
i am trying to live  
to please god  
no one to love none to caress  
roving alone in this world's  
wilderness sad is my heart,  
joy is unknown to in my  
sorrow im weeping alone  
no gentle voice no tender  
smile makes me rejoice.  
singing i wake, waking, i weep,  
soon with the loved and the  
lost ones i shall sleep
